

WHY BECOME A LAPHCC MEMBER?

Industry Representation

Success as a p-h-c contractor depends on a legal and regulatory environment that supports your business. LAPHCC's pro-active legislative and regulatory initiatives are relentless in keeping state and local laws conducive to your success. The association depends on its members to provide their perspective on proposed legislation and regulations.

Information

The LAPHCC quarterly magazine "The Pipeline" and the LAPHCC website (www.laphcc.org) contains chapter news and events, technical advice, training information, and job postings. The PHCC's *Connection*, *PHCC Online*, and *PHCC's Contractor Magazine* keeps you up-to-date on the industry news you need to know.

Business Management/Marketing Resources

As a member, you have access to the "Member's Only" area on the PHCC website www.phccweb.org, and on the LAPHCC website, www.laphcc.org, which has numerous resources to help you run your business. With all the business management resources, you can get the business and technical "know-how" to be successful and profitable in this increasingly competitive market. You will also have access to an online Marketing Resource Center on the National PHCC website. This service has dozens of tools to attract new customers and build loyalty among your current customers.

Money Saving Business Services

LAPHCC partnered with a number of industry associates to save on gasoline purchases, business supplies, uniforms, warranty programs, contractor "locator" service, manufacturer discount coupon book, Insurance programs, and more. For a complete list of these discounts, go to <http://www.phccweb.org/Contractor/PSPList.cfm>.

PHCCare Plus Health Plan

LAPHCC members now have access to affordable health benefits for themselves and their employees through the new PHCCare Plus Health Plan. The PHCCare Plus Health Plan allows firms with two or more employees to provide comprehensive, affordable medical benefits, in many cases saving 10%-15% off the cost of similar benefits from a commercial health insurer. For more information, visit www.phcc-care.com.

Networking

As a member of LAPHCC, you can get advice and support from other PHCC members, as well as networking with suppliers at national, state, & local chapter events, such as the LAPHCC Annual Convention and the Fall Golf Tournament.

Education Programs

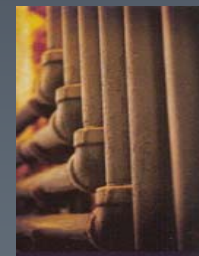

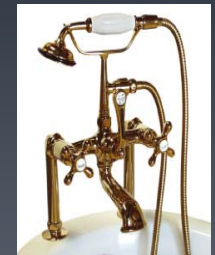

LAPHCC's plumbing apprenticeship and journeyman training program is proven to make more qualified people available to do the work that pleases your customers. Continuing Education requirements, set by the Louisiana State Plumbing are in effect for all licensed plumbers in Louisiana. LAPHCC is a course provider and members receive a discount on registration fees for Continuing Education classes.

Human Resources

At www.laphcc.org, you will have access to a job site where you are able to download hundreds of resumes. Resumes are posted on a regular basis and available for members to download. This "member's only" database gives you the advantage of finding skilled workers to grow your business.

MISSION STATEMENT

The Louisiana Association of Plumbing Heating-Cooling Contractors is dedicated to the promotion, advancement, education and training of our industry, and to the protection of the health and safety of the public.

LAPHCC is composed of p-h-c contractors across the state and includes small shops, as well as of the largest primes and subcontractors in the industry. Membership is made up of both open shop and union contractors.
